MOVED BY COMM. CRENSHAW, SUPPORTED BY COMM. ANTHONY, TO APPROVE THE RESOLUTION TO PROVIDE THE INGHAM COUNTY LAND BANK FAST TRACK AUTHORITY WITH CAPACITY BUILDING FUNDING.

Treasurer Eric Schertzing introduced the resolution to the Committee.

Chairperson Grebner stated that the idea was that the Land Bank was going to pay down its line of credit by $300,000.

Treasurer Schertzing stated that the Land Bank had been paying down its debt previously. He further stated that this was an attempt to eliminate the debt in a shorter amount of time.

Commissioner Crenshaw asked how the resolution would increase the Land Bank’s funding in the 2018 through 2022 fiscal years with funding from the Delinquent Tax Revolving Fund for tax years 2015 through 2019.

Treasurer Schertzing stated that the maturation of the Delinquent Tax Revolving Funds had a two to three year lag due to the collection process. He further stated that the money that would convey in 2018 would come out of the 2015 Delinquent Tax Revolving Fund year because it was the year they were closing out more or less.

Discussion.

Treasurer Schertzing stated that the Treasurer’s Office now owned the property where the Life O’Riley trailer park was located.

Commissioner Tennis asked how this line of credit was used in the past.

Treasurer Schertzing stated that it was used for many things, including demolition and construction financing.

Commissioner Tennis asked how much the debt was.

Treasurer Schertzing stated that the amount was approximately $3.5 million.

Chairperson Grebner stated that $5 million was the maximum of the two lines. He further stated that their balance sheet was one with a lot of nonconventional assets on it. Chairperson Grebner
stated that their balance sheet showed that they had approximately $4.5 million to $5 million in assets, receivables, balances on hand, and properties they owned. He further stated that they were not insolvent. Chairperson Grebner stated that the assets they owned were hard to liquidate in a hurry and were subject to value decline in a recession.

Discussion.

Commissioner Schafer asked what the value of all the assets was.

Chairperson Grebner stated that it was approximately $4.5 million to $5 million.

Treasurer Schertzing stated that it depended on the method of valuation.

Commissioner Schafer asked whether the 1,300 properties they had was approximately $5 million.

Chairperson Grebner stated that it was many things, including tax receipts, assets on hand, and land contracts. He asked whether $3 million were for actual properties.

Treasurer Schertzing stated that they had thirty rental properties and other standing inventory. He further stated that there were something like that in hard assets of real estate.

Chairperson Grebner stated that they have a pro forma, which is a formal statement of this.

Discussion.

Treasurer Schertzing stated that at one point in time, they had 250-300 houses, which were not assets, but liabilities. He further stated that because they were able to work with partners to take care of these blighted structures, their true net worth probably went up.

Commissioner Koenig asked what the Treasurer was most proud of.

Treasurer Schertzing stated that he was proud of the 250 houses that they had renovated or built in Lansing that had twenty year owner occupancy covenants, which would bring population back to Lansing. He further stated that they had leveraged $60-$70 million in investments.

Commissioner Koenig stated that we should talk about what the benefits of the Land Bank were.

Discussion.

THE MOTION CARRIED UNANIMOUSLY.
